THE NEWS

Congratulations to Jacqueline!

Congratulations to 6-year-old Jacqueline Logotheitis, winner of the Canada Day drawing contest organized by Stéphane Lauzon's office.

The Township of Wentworth is proud to celebrate the achievements of our youth.

Wentworth represented in Benin

Martine Renaud, director of town planning and environment, was selected for the Municipal Partnerships for Innovation - Women in Local Politics project. During this mission, Martine will have the chance to pass on her knowledge as a woman in the municipal world. The project aims to promote gender equality. Martine will soon be leaving for Benin.

A look back at the June 18 by-election

Congratulations to Mr. Paul Sauvé who wins seat #6. We would like to thank the citizens who participated in such large numbers.

ENVIRONMENT

Report a turtle!

In the Township of Wentworth, it often happens to come across a turtle from May to October. It's the time of year when they move. These movements entail certain dangers since when crossing roads or land environments, they are very vulnerable to collisions and disturbances. If you see a turtle, we invite you to fill out the report form on the Carapace website.

Let's protect our lakes!

With the start of the boating season, find out how to protect the lakes. Did you know that waves accelerate erosion?

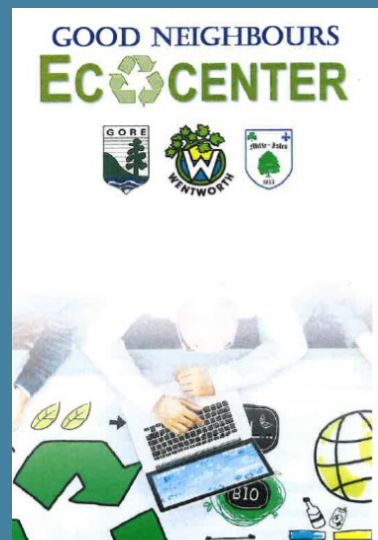

It is therefore important to practice motorized water activities away from shore. In the same perspective, we encourage you to reduce your speed when approaching a shore.
