## THE NEWS

### Join us for the unveiling of the Generations Chair

We invite all children to join us on Monday, August 7 at 7:00 p.m. at the municipal council meeting (175 chemin Louisa) for the unveiling of the Generations Chair, a movement created by the group Mothers Step In, which will be presented by the children of the Township of Wentworth. This symbolic chair is intended to remind elected officials that every decision made today will have an impact on the future of generations to come.

**All children, parents and grandparents are invited to take part. WE HOPE TO SEE YOU IN GREAT NUMBERS.**

### Return of Martine Renaud

Last month, Martine Renaud, Director of Urban Planning and Environment, had the incredible opportunity to represent the MRC d'Argenteuil during a mission to Benin. This mission aimed to promote gender equality and the participation of women in local governments.

"Being a mission leader in a country like Benin has transformed me. The resilience, the sense of family and the way they discuss important issues are a source of inspiration," says Martine Renaud.

Located on elevated ground off the road, the church is close to various community amenities and the Louisa Cemetery. The latter, consecrated the same year as the church, however houses older burials, the first listed dating from 1890. Before this date, families buried their dead on their land; the territory of Wentworth also includes several of these family burial sites. The names inscribed on the monuments of Louisa Cemetery are reflected in the toponymy of the municipality, which thus honors the memory of some of its pioneers, including George Seale (1824–1910), John Neill (1849–1929) and William Watchorn (1835–1903). This eternal resting place, still active, is said to have been enlarged twice, in 1941 and 1982.
