## THE NEWS

## The FoodCycler Pilot Program

The Township of Wentworth is proud to participate in the FoodCycler pilot program. This unit is a compact food recycler that reduces food waste and eliminates odors, making it ideal for indoor use.

### Would you like to have your own? Here are the program details:

Thanks to a grant from the Township of Wentworth, you could obtain a FoodCycler at a reduced price:

- Foodcycler Eco 5 - 5 liter capacity at a cost of \$300
- Foodcycler FC-30 - 2.5 liter capacity at a cost of \$150

Only 50 FoodCyclers are available. You have from September 1 until September 11 to register. To determine who gets a FoodCycler, we will operate on a "First come, first served" basis. In addition, permanent residents will be given priority.

Finally, by purchasing this device, you must participate in the 12-week program between October and December. To do so, you will need to note the number of cycles you perform each day during the pilot period. At the end, you will receive a final survey to complete. Thereafter, you will keep your FoodCycler. **To find out more, we invite you to consult this [explanatory document](#).**

Registration required

## Happy National Tree Day!

Celebrate trees, take action on climate change and connect with nature

## National Tree Day

National Tree Day is about honoring trees, taking action to fight climate change and connecting with nature. This year, National Tree Day will be held on Wednesday, September 20.

### How to celebrate?

There are so many ways to express your gratitude to trees and forests – there is no small gesture! National Tree Day is meant to be inclusive and fun. Here are some ideas to inspire you:

1

#### Plant trees

Want to plant a tree in your yard or organize a larger event near you?

2

#### Have fun among the trees

Sit under a tree in your favorite park or green space.

3

#### Take inspiration from nature

Whether or not you have a gift for the arts, use trees as a muse to draw, paint or take pictures.

4

#### Clean up a green space

Take care of a green space near you. Be sure to wear safety gear.

# OTHERS

## Back to school!

Since this week, a majority of students have entered class. To do this, we ask you to adapt your driving and be extra vigilant on the roads. Above all, we remind you that you are obliged to stop when the red lights on the bus are flashing.

Together, let's be careful for a safe return to school.

## Closing the cottages!

Before leaving your property for a long period of time, be sure to notify your neighbors so that they can keep an eye on your home while you are away. Another way is to clear the driveway to show that the property is inhabited. In addition, it is always possible to light the exterior of your house thanks to a timer system.

# IMPORTANT DATES

## Boat Wash Schedule

Here is a reminder to inform you that the hours of operation for the boat wash station (116 Louisa Road) are as follows:

- Saturday, September 2: From 8:00 am to 1:00 pm
- Sunday, September 3: From 12:00 pm to 4:00 pm
- Monday, September 4 (Labour Day): From 9:00 am to 4:30 pm

Municipal Landing Keys: The keys must be returned to the outdoor mailboxes available at the municipal office (175 Louisa Road) and at the car wash.

The weekday schedule remains from 9:00 am to 4:30 pm by appointment only.

## Closing of the municipal office

Please note that the municipal office will be closed on Monday September 4th due to Labor Day.

The team wishes you a wonderful day.

## Council Meeting

The next council meeting is Monday, September 11 at 7:00 p.m. at 175 Louisa Road.

## Municipal Taxes

The deadline for the 3rd installment of municipal taxes is Friday, September 15. Your payments can be made directly at the Town Hall (cash, check or Interac), by mail or online via your banking institution.
