CYBER MEMO

A LOOK BACK AT

Wentworth Day

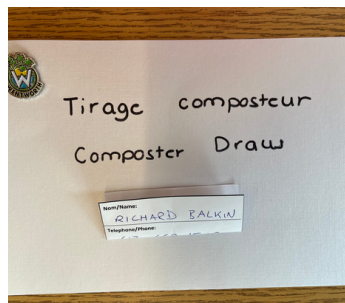

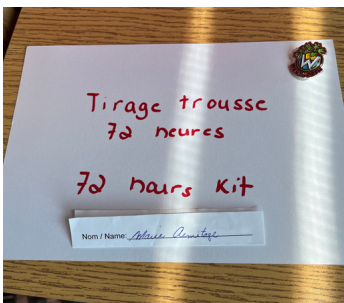

SUNDAY JULY 16

Thank you to everyone who participated in Wentworth Day. This year, with the uncertain weather, we opted for an indoor day. It was a different experience, but just as enjoyable. It's always a great pleasure to meet up with you and exchange ideas.

DISCOVER THE WINNERS

On Wentworth Day, residents had a chance to win a 72-hour emergency kit for 2 people as well as a rolling composter. Thank you all for your participation.

- Congratulations to Marie Armitage for the 72 hour kit.
- Congratulations to Richard Balkin for the rolling composter.

Thank you to the kiosks present

Finally, we would like to thank all the kiosks present during this day. A day of sharing and exchange.

Thanks to the artists' and artisans' market
