MESSAGE FROM THE MAYOR: A NEW EMPLOYEE AT WENTWORTH

Dear citizens,

It is with great pleasure that I inform you that **Mr. Eric Boucher** joined the Wentworth team as **Environment Specialist and Supervisor of Public Works** in early May 2011. He holds a B.A. in Biology from UQAM in Montreal. **Mr. Boucher** will lead the yearly septic system verification project and ensure the necessary follow-up interventions. Furthermore, he will be the link for environmental matters with the MRC and local associations. He will also manage the contracts for waste management and the maintenance, repair and renewal of our road infrastructures. I'm sure you are convinced, as I am, that Eric will be an asset to our team of Municipal Officers.

Ed Kasprzyk, Maire

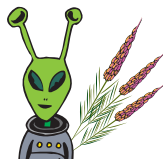

SUMMER IS HERE AND THE TIME TO WORK

You want to take advantage of the nice weather to renovate your house, build a shed or wharf, cut a tree or install a pool? Before you take action, make sure you make an appointment to obtain a permit. **But do not wait until the last minute**, as many other citizens are also planning to make the same request to the Municipality. Call **Martine Renaud**, Municipal Inspector at 450 562-0701 in order to make an appointment.

FITNESS COURSES AT THE COMMUNITY CENTRE

We have had very good participation in our fitness courses. *Pilates, Yoga and Dance Fit* courses will begin again in the fall at the **Wentworth Community Centre**. For information, please contact Mrs. **June Parker** at 450-562-8664 or by e-mail at bigred2171@ctenet.net

THE INVADERS ARE COMING...

The Township of Wentworth Environmental Consulting Committee has the pleasure of inviting the population of Argenteuil and beyond to an "ENVIRONMENT DAY" concerning the problem of invasive plants and species that can be damaging to our watercourses.

Under the theme « **The Invaders are Coming** » the event will include kiosks representing local organizations and associations, information on identification and prevention of invasive species, including a presentation by an expert **Biologist, Ms. Mélissa Laniel** from the **Conseil Régional de l'Environnement des Laurentides**. There will also be video clips and much more.

Date: July 23rd, 2011
Time: 10 :00 a.m. – 4 :00 p.m.
Location : Wentworth Community Centre
86 Louisa Road, Wentworth, Qc.

PROTECTION OF SHORELINES, LAKES AND STREAM BEDS

The By-Law concerning the protection of shorelines has been in force on the territory of the Municipality for more than three years now. This regulation prohibits the control of vegetation within 10 meters of the shoreline of lakes and streams thus preventing the eutrophication of water bodies and episodes of cyanobacteria.

Since the coming into force of the By-Law, many residents have complied and the banks are naturally revegetalizing, resulting in a very positive impact on our precious waterways. The Municipality will continue to issue fines to those who do not comply to the **regulation intended to protect our Blue Gold: our lakes and watercourses!**

Visit our website for a summary of the By-Law Concerning the Protection of Shorelines, Lakes, Streams and Flood Plains.

MY HEALTH IN MIND

Be a Quitter! The Wentworth My Health in Mind Committee encourages you to adopt healthy lifestyle habits like quitting smoking. The CSSS of Argenteuil offers free information and support services to the population.
