

# MUNICIPAL DIRECTORY 2018-2021

[wentworth.ca](http://wentworth.ca)

## FOREWORD

---

We are pleased to present your 2018-2021 Municipal Directory. This document is intended to inform the population and mainly new residents. It contains a multitude of relevant information on Municipal Administration, services offered to the population, certain Municipal By-Laws, surrounding resources and more. Browse through it and keep it nearby. For ecological, environmental and economic reasons, this directory will only be published once every four years. Of course, we will keep you informed if major changes occur during these years.

Enjoy reading!

Proclaimed a "Township" on June 3<sup>rd</sup>, 1809, Wentworth is an undeniable haven of peace, offering an incomparable quality of life. Strewn with more than 40 lakes that have become over the years very popular vacation spots including Lake Louisa, which is the largest lake in the Argenteuil region. Having its share of hidden treasures, the Township of Wentworth is among the "greenest" municipalities of the MRC of Argenteuil by its proximity to nature. The durability of its Town Planning regulations, ensures development in harmony with the natural environment and protection of its lakes and landscapes.

To resume, the Township of Wentworth is an idyllic place for nature lovers for its fauna, flora, forests and of course, it's wooded charm.

*Township of Wentworth...* **Where country living is a reality!**

## COUNCIL MEETING

---

Public Council Meetings are held each month, at 7 pm, at the Wentworth Community Center, 86 Louisa Road. Please verify the dates on our website.

## ASSESSMENT ROLL

---

The Assessment Roll service is now available online. To consult, visit our website at [www.wentworth.ca](http://www.wentworth.ca), under "*Municipal Services*", "*General Public: UAS*". You will be directed to the AccèsCité portal to select the preferred type of search.

## MUNICIPAL TAX

---

If your tax account exceeds \$300.00, you may either pay in one (1) single payment or you may pay in three (3) installments without interest if the installment dates on the tax bill are met. A late payment of any installment will revoke this privilege. The entire balance becomes immediately due and interest is calculated from that date on the entire amount owed until full settlement is completed.

### Date of installments

Payment dates become available on our website as soon as tax accounts are issued and sent by mail. Mailing is usually scheduled for the end of January.

### Online payment

Choosing "online payment" to pay your municipal tax bill is fast and convenient! Use your roll number found on your tax invoice, make sure to choose the Municipality of the Township of Wentworth and of course, allow a delay of 2-3 days between the day of payment and the day of receipt by the municipality to avoid any interest.

## COMMUNICATIONS

---

**Website:** [www.wentworth.ca](http://www.wentworth.ca)

On the municipality's website, you will find public notices, minutes, calendars, useful links as well as relevant information about the various municipal services offered. Visit it often as we update regularly. We are continuing our efforts to improve the information available.

### Municipal Bulletin

The INFO WENTWORTH is a quarterly bulletin that contains important information, dates to remember, news as well as activities and events of the municipality. It is sent to you by mail or email. Copies are also available at the Municipal Office or you can simply read it on our website.

### Newsletter

The CYBERMEMO is a newsletter sent once or twice a month, informing you about important dates and information, upcoming events, and more. Sign up to our Distribution List to receive them.

### Distribution List

Register to our Distribution List to receive by e-mail the various communications issued by your municipality. You will find the registration form on our website or by email at [info@wentworth.ca](mailto:info@wentworth.ca).

## ACTIVITIES, CULTURE AND COMMUNITY RELATIONS

### Family and Senior Policy

The Municipality of the Township of Wentworth considers that families and seniors occupy a prominent place in the community. That is why in 2015-2016, it embarked on the development of a Regional Family and Senior Policy, together with the municipalities of the MRC of Argenteuil. This policy is a concrete way of expressing the desire to place families and seniors at the heart of municipal actions.

The municipality of the Township of Wentworth intends to continue its work to maintain and optimize the quality of life of its residents. It undertakes to remain attentive to residents and encourage their involvement in community life.

**Its mission:** Integrating "think and act Families/Seniors" in the planning, administration and projects to enhance the vitality and well-being of everyone. Come and get your Policy Guide at the Municipal Office.

### Library

According to the agreement between the municipality of the Township of Wentworth and the city of Lachute, permanent or seasonal residents of the Township of Wentworth can subscribe, free of charge, to the library Jean-Marc-Belzile, 378 Principale Street in Lachute.

To obtain your library card, you must first come to the Municipal Office (114 Louisa Road), fill out a subscription form and have it approved and present it at the Library's lending desk, accompanied with you ID and a proof of residency. Enjoy reading!

### Community Centre

The Community Center is the venue for many municipal activities such as Pilates, Yoga, VieActive, Bridge nights, Carpet Bowling, Film projection, workshops, etc. Follow your *Info-Wentworth* and CyberMemos for details, registration and schedules.

### Hall Rental

You can also rent the hall for different events such as:

- Social Club
- Reception / family party
- Meeting
- Course

An application for a permit from the Régie des alcools, courses et jeux is mandatory if alcoholic beverages are served or sold at your event.

To get more details and to rent the hall, please contact the Municipal Office at 450 562-0701 (ext 2923).

## PARTIAL SUMMARY OF MUNICIPAL BY-LAWS

**BEFORE UNDERTAKING CONSTRUCTION OR RENOVATION WORK, PLEASE CONTACT THE MUNICIPALITY TO OBTAIN ALL THE NECESSARY INFORMATION NEEDED TO COMPLETE YOUR PROJECT AND TAKE AN APPOINTMENT IF A PERMIT IS REQUIRED.**

**N.B. Should you sell your property, please inform the new owners.**

**For your information, the following is ONLY a brief summary of the cases that require a permit:**

1. **Cadastral operations** - Subdivisions, redivisions, residential developments, etc.;
2. **Construction** - All new building; any modifications, renovation or demolition of existing buildings, signs, walls and hedges require a permit;
3. **Roads** - Works affecting public and private roads; driveway's construction and/or drainage may require a permit;
4. **Environment** - Shoreline works (retaining walls, trimming, tree cutting, landscaping, etc.), wharves, boat shelters, accesses to water, beaches, septic systems, wells, sand and gravel pits require a permit. **This applies to repairs or modifications to existing structures and infrastructures, as well as new projects.**
5. **Forestry** - Logging, deforestation, commercial and domestic tree cutting, individual cuts in protection bands around lakes and water-courses, etc, require permits.
6. **Zoning** - Each area has specific regulations regarding usage, minimum requirements, front, back and lateral margins, density, etc.
7. **Excavation and/or Fill** - These works require permits.

Due to lack of space in this document, we are unable to mention all cases where a permit is required. **It is therefore imperative that you check with the municipality before undertaking any renovation or construction work. In many instances, acquired rights play a role in whether or not a permit is issued. Each case must be evaluated according to its own uniqueness.**

## Other By-Laws

1. **Temporary garage (Tempo)**
  - Permitted between October 1<sup>st</sup> – May 15<sup>th</sup>. Must be installed at least 4.5 m from all lot lines and cannot impede visibility on corner lots. A maximum of 2 temporary garages per residence is authorized. Banned on vacant lots.
  
2. **Camping**
  - Trailer, mobile homes, tent trailers and tents are prohibited on the territory of the municipality except on official campground, or with application for a permit.
  
3. **Parking**
  - Parking is prohibited on municipal roads at all times. During the summer season, vehicles may be parked on the shoulder of the road provided the vehicle wheels do not touch the asphalt, and on unpaved streets the vehicle wheels are three (3) meters from the center of the road. A fine will be levied for any offence to this regulation.
  
4. **Septic Systems**
  - Proof of emptying must be sent to the Municipality within 30 days every time septic or holding tanks are emptied (including gray water pits). All septic tanks must be emptied every two (2) years for permanent residents and every four (4) years for seasonal residents. **\*N.B. It is important to provide a copy of your annual maintenance contract, if applicable.**
  - Holding tanks must be emptied when they are full and those that have not been emptied within a reasonable length of time will receive a reminder notice.
  - When you receive a letter regarding the inspection of your septic installations, it is important to make an appointment with the inspector.
  
5. **Shoreline**

Prohibited interventions:

  - Any vegetation control in the protection band of lakes and watercourses;
  - Any building or works are prohibited in the protection band of lakes and watercourses, except eligible admissible interventions;
  - Removal of gravel (dredging) in lakes and watercourses, dragging, digging, channeling or altering the path of a river;

- Any work creating a beach (landfilling);
- Building a dock on cribs or concrete;
- All soil waterproofing work and the installation of a boat launching ramp;
- Application and use of pesticides, natural fertilizers (compost), chemicals and treated wood.

**BEFORE UNDERTAKING WORKS IN THE SHORELINE PROTECTION BAND, PLEASE CONTACT THE MUNICIPALITY TO OBTAIN ALL THE NECESSARY INFORMATION AND TAKE AN APPOINTMENT WITH THE INSPECTOR IF A PERMIT IS REQUIRED.**

**A listing of Highlights of the By-Law concerning the protection of littoral, shore-lines, and flood plains is available at the Municipal Office and on the website under "*Municipal Services*" in the "*Environment*" section.**

## **PROTECTION OF WATER BODIES AND ACCESS TO LAKE LOUISA**

The Municipal Council wants to ensure the maintenance of water quality on its territory. Scientific studies have shown that invasive species or aquatic exotic invasive plants (AEIP) can cause considerable damage to the flora, fauna, water quality, public health, wharves, buoys, water crafts, dams, meaning they constitute a direct threat to the maintenance of water quality.

In order to protect Lake Louisa against these invasive species (AEIP), the Council adopted in 2015 "**By-Law 2015-002-001, By-Law concerning the protection of water bodies and access to Lake Louisa**". This By-Law aims to regulate access to Lake Louisa by a municipal or private landing, ensuring the maintenance of water and its safe use.

### **Access Permit Application (proof of residency required)**

To apply for an access permit attesting that your water craft remains at all times on Lake Louisa, a form must be completed and signed (proof of residency required). A sticker will be given to you for each registered craft. You can get this form at the Municipal Office or the Boat Wash Station during opening hours and on the website.

### **Obligation to wash (without access permit)**

All users must, prior to the launching of a motorized water craft and/or pedalo, canoe, rowboat, kayak, etc..., wash the water craft, motor, trailer, if needed, at the Boat Wash Station (next to the Fire Hall, 116 Louisa Road) during opening hours or call the Municipal Office at 450 562-0701 for an appointment.

## Washing Fee

Taxpayer \$10 / Annual Taxpayer Fee \$40

\*Hunting & Fishing Club of Argenteuil (valid membership card required): same fee as Taxpayer  
Non-Taxpayer \$300

## Municipal Landing (Giles Road)

Access to Lake Louisa for motorized and non-motorized water crafts, both for launch and exit, has to be done by the municipal or private landing for all users. To obtain a key to access the municipal landing, a deposit of \$300 is required. The key number is registered in your name and it must be returned the same day, otherwise the deposit will be kept. There is no parking at or near the municipal landing. You must bring the vehicle and trailer back and then return to retrieve the boat.

## REGULATIONS CONCERNING DOGS

"By-Law RM 410, By-Law concerning dog control" is in effect on the territory of the Municipality. Following is a brief summary of the said By-Law for your information:

### Nuisances caused by dogs:

- dog barking and howling constantly;
- dog damaging or soiling public or private property;
- dog not held on a leash or without his keeper outside the limits of the keeper's property.

### Dangerous dogs:

- dog that has bitten or attacked a person or another animal causing injuries requiring medical attention;
- dog outside its keeper's property which demonstrate aggressiveness towards a person indicating that the animal may bite or attack a person.

Failure to comply with this regulation, the citizen becomes liable to a minimum fine of \$300, not exceeding \$1000 for a first offense. **If the animal is aggressive, call 9-1-1.**

## FIRE PROTECTION

### **\*For any emergency, call 9-1-1.**

For more information or questions about fire safety, do not hesitate to contact your Fire Department at 450 562-0701 (ext. 2929).

You can also consult "**By-Law number 2013-005, By-Law concerning Fire Prevention**" by visiting our website under "**Municipal Services / Public Safety**".

## CAMPFIRES

A campfire in a private yard is permitted on the territory of the Municipality. The maximum diameter of a campfire is one (1) meter. **Campfires are now authorized without a permit.** However, first verify the fire safety signs when entering the Municipality, consult the **SOPFEU** website ([www.sopfeu.qc.ca](http://www.sopfeu.qc.ca)) or our website ([www.wentworth.ca](http://www.wentworth.ca)) to know the level of fire risk in progress.

**\*RED (EXTREME RISK) = NO FIRES!**

## BURNING

Any person wishing to make a fire to burn branches, shrubs or plants, anywhere on the territory must first obtain a permit from the Fire Department. It is forbidden to burn between 8 p.m. and 8 a.m. An appointment must be made with a Fire Official by calling the Municipal Office at least three (3) days in advance in order to inspect the location before a permit can be issued.

Any person lighting an exterior fire is responsible for any and all damages that may occur in the result of this action. The fact of having obtained a permit authorizing said fire in no way affects the responsibility for damages and disbursements caused by such act.

**When there is a fire ban in force on the territory by the Government or the Fire Department Official, all permits become void until the ban is lifted. It is your responsibility to ensure that no fire bans are in effect by contacting the Municipal Office, checking the safety signs at all entrances to the municipality or by visiting our website.**

Please exercise caution for each condition. Failure to comply with these guidelines could result in the person being fined for each offense.

## FIREWORKS

**It is mandatory to obtain a permit before lighting fireworks. Contact the Municipal Office.**

## SKY LANTERNS

**Sky lanterns (also called flying lanterns or Chinese lantern) are prohibited at all times on all the territory.**

## HOME INSPECTIONS

In conformity with the Fire Risk Coverage Plan by the MRC of Argenteuil, firefighters are visiting all the buildings on the territory of Wentworth area to promote fire prevention and verify the functionality of smoke detectors in each residence. For your safety, firefighters will be in team of two (2), identified with ID cards, wearing a firefighter's uniform and driving a vehicle from the Wentworth Fire Department. **OBJECTIVE:** To prevent fires and ensure the safety of YOUR family.

## LOCKED GATES

If you have a locked gate on your driveway or private road, it is in your best interest for your security to provide the Fire Department with a key. Providing an access key, will prevent possible damage to your gate and avoid response time delays. Please contact the Fire Department at 450 562-0701 (ext. 2929).

## PUBLIC SECURITY

### **\*For any emergency, call 9-1-1.**

Be sure to clearly state the address requiring emergency services and to emphasize that it is in the Township of Wentworth. This can significantly reduce the time required by respondents to reach you quickly.

## CIVIC NUMBERS

Please advise us if your civic number is damaged or missing. Signs cannot be moved without authorization from the Municipality.

**TOGETHER, let's STOP, SOLVE and PREVENT CRIME ANONYMOUSLY!**

*Échec au crime* offers a simple and sympathetic way to **report and prevent a crime** anonymously and safely. It plays a major role in preventing crime and acts as an intermediary between the public and the police in gathering and sharing information.

Have you just witnessed a crime? Are you suffering and need help?

**Call 9-1-1 right away to talk to the police.**

If you have information for us regarding a crime,  
**dial the toll free number 1 800 711-1800 or [www.echecaucrime.com](http://www.echecaucrime.com)**

**TO REPORT A CRIME, IS TO REJECT VIOLENCE AND ABUSE.**

## NEIGHBOURHOOD WATCH

A program or committee of neighborhood watch in which residents monitor the homes of others and patrol the streets, creating a community connection where the police and the committee work together to prevent crime. When criminal activity is suspected, all are encouraged to report to the authorities and not to intervene.

For your security and the efficiency of the program, we must remain vigilant.  
**Neighbourhood Watch is our responsibility to all!**

For the names of the Committee contacts, please visit our website at "***Municipal Services/Public Security***".

### Simple tips for your safety

- Civic address must be visible from both directions of the road, day and night.
  - Well lit entrance and windows. It is preferable to always have outside light whether you are present or not. Programmable timers of up to 6 different days are now available.
  - A loud high-pitched alarm system is often enough to deter a burglar.
  - When boats are stored on a trailer, removing a wheel or any other valid method would complicate a robbery.
  - Lock boat motors with a padlock (e.g.: Transom lock).
  - For those who have an alarm button on their car keys, always put them near the bed and use them if you hear a suspicious noise.
  - Do not engrave your SIN on your devices. Rather, put a symbol or personal number always at the same hidden place. This prevents the thief from erasing and more easily identifiable by the police. An engraver is available at your municipality.
- ✓ Do not forget to inform your neighbors when you lend your house or go on vacation.
  - ✓ Report all crime to the SQ (provincial police) so a file can be established to keep accurate statistics and the justification of patrol hours, even if a claim is not made to your insurance.

## OPÉRATION ŒIL DE LYNX

You are the person who knows your area best and can provide essential information to the police. Be on the lookout for elements that arouse your suspicions.

For example, if you see a suspicious vehicle, note:

- the brand
- the model

- the colour
- the license plate number
- particularities
- **And dial 9-1-1.**

### **Together, let's prevent theft in homes and cottages:**

- By **observing**...
- By **engraving** our items...
- By creating up an **inventory** of our belongings...
- By **reporting** any suspicious elements...
- **By simply KEEPING OUR EYES OPEN!**

## **RESIDUAL MATERIALS**

### **Garbage and recyclables**

#### **By-Law number 2017-003, "By-Law regarding the removal and disposal of residual material"**

Adopted at the regular Council Meeting held on September 5<sup>th</sup> 2017, the main objective of this By-Law is to ensure the proper functioning of residual waste collection, to re-iterate sorting at source, to respect the principles of recuperation and to build on citizen participation. To consult this By-Law, visit our website at [www.wentworth.ca](http://www.wentworth.ca), at "***Municipal Services/Garbage & Recyclables***".

#### **Date of entry into force**

Since January 1<sup>st</sup>, 2018, date of entry into force in accordance with the law, any owner or occupant must use the regulatory bins for the regular collection of garbage.

#### **Supply of bins**

The Municipality will provide to any owner who requests it:

- **one (1) green rolling bin with a capacity of 240 liters or 360 liters at the latter's expense** for use of regular garbage collection;
- **one (1) blue rolling bin with a capacity of 360 liters free of charge**, for selective collection (recycling)(1 per residence).

Garbage and recyclables **must be placed exclusively in bins authorized by the municipality**, throughout its territory.

#### **Collection**

Rolling bins must be placed on the edge of the public road at the earliest twenty-four (24) hours before each collection and removed no later than twenty-four (24) hours

after the collection of garbage or recyclables. If you're only there on weekends, ask a neighbor to do it for you. Not only could it prevent accidents, but it also prevents informing thieves of your absence.

Anyone who contravenes this disposal **is liable to a fine of \$300 for every day the infraction continues.**

**Attention:** The Municipality wishes to inform you that garbage and recyclable materials are collected in front of each residence **if the street is accessible by the contractor's vehicles.**

**The 2018 Collection Schedule is attached to this Directory or visit our website**

## **Composting in Wentworth**

### **Domestic composter**

In virtue of "**By-Law number 89-16**, By-Law enacting the Residual Materials Management Plan 2016-2020 (PGMR)", adopted unanimously by the Council of the MRC of Argenteuil and recommended by the Wentworth Environmental Consulting Committee (ECC), the Municipality began in the summer of 2017, the distribution of domestic compostors. You can get **one (1) black domestic composter and a kitchen bin free of charge**, at the Municipal Office (Monday to Friday, 9 am to 4:30 pm).

Composting is an important recycling method that can be done at home. **No collection is done by the municipality.**

In accordance to "**By-Law number 2007-004**, By-Law with respect to the use of pesticides and fertilizers on the territory of the Township of Wentworth", it is **important to remind everyone** the following extract:

### **Chapter 2 / Section 1 / 2-Exception / Number 5:**

"The use of compost is **permitted in gardens located at more than 15 meters from lakes and water courses**".

To learn more about composting, visit our website at "***Municipal Services/Garbage & Recyclables***".

## **GOOD NEIGHBOURS ECOCENTER**

The Ecocenter is a safe place designed for the recovery of specific materials, to reduce the disposal of waste by encouraging reuse, recycling and recovery.

The **GOOD NEIGHBOURS ECOCENTER** is located at 40 Sideline Road in Gore. **All citizens of the Municipalities of the Township of Wentworth, Township of Gore and Mille-Isles** may benefit from these **services for free**.

A proof of residence is required, such as:

- a valid driver's license
- copy of a lease, tax account or most recent hydro bill  
**along with** a valid ID with photo

Check the calendar, management and list of accepted materials included in this directory or visit our website for more details.

To learn more, visit our website at "[Municipal Services/Garbage & Recyclables](#)".

### **The trend of the "3R": REDUCE, RECYCLE, REUSE**

It reduces the volume of waste, protects natural resources by saving raw materials and thus helps protect the environment.
