# CYBER MEMO

## THE NEWS

### A few weeks since launch

Since March 14, the Township of Wentworth has had a brand-new website, more modern and user-friendly. The previous version was several years old, and we are proud of this update, which we hope will make it easier for you to access essential information. If you haven't done so yet, we invite you to explore it now and share your feedback or suggestions with us.

### Interested in municipal politics?

Are you interested in municipal politics and want to learn more about it? Information sessions will be held on April 7, May 5, and June 2, in the form of a webinar, intended for those who might be tempted to take the plunge! A great time to learn more about the role of municipalities, ask all your questions, and prepare to submit your candidacy.

# EARTH DAY

## Let's celebrate the earth through action

On Tuesday, April 22, let's take action together to protect our planet! Here are some simple actions to incorporate into your daily life:

- Reduce food waste: The Township provides community composters to recycle your food scraps.
- Give your items a second life: Do something for the environment by donating to the Trésors du Dôme.
- Protect pollinators: Did you know that 35% of our food supply depends on pollinating insects? Support their survival by delaying your lawn mowing until May, as recommended by the Défi Pissenlits
- Support nature conservation: A donation to the Wild Trust helps fund environmental conservation projects.

Every small action counts. Together, let's take care of our Earth!

## The Waste Pick-Up Race

The Environmental Consulting Committee invites you once again to take on the Waste Pick-Up Race challenge on April 19 and 20 with friends or family! Whether it's a health walk, explore your area of the Municipality and pick up the waste left over from winter.

**Need equipment?** The Municipality has 15 garbage grabbers that citizens can borrow for the activity. Come and get one!

# RECAP

## Recap of the Workshop – Planning to Age at Home

A huge thank you to the Argenteuil Seniors' Consultation and the students of Polyvalente Lavigne for their dynamic and engaging presentation, highlighting the resources available in the region.

... Testimonial from a citizen:  
"Thank you so much, and congratulations once again on this wonderful initiative for a seniors' information day."

# THE REMINDERS

## Good news : Spring is finally here!

It's the perfect time to do a major outdoor cleanup and get rid of your bulky items. The Good Neighbours Ecocenter, located in Gore (40 Sideline Rd., Gore), is the result of a collaboration between the municipalities of Gore, Wentworth and Milles-Isles. The eco-centre is open Saturdays and Sundays from 9 a.m. to 4:30 p.m.
