

The "Trésors du Dôme" is a non-profit organization created in June 2024 that allows residents of the municipalities of Gore, Mille-Isles and Wentworth to drop off items they no longer use. Purchasing these items is open to everyone.

Its mission is to collect items in good condition with the aim of giving them a second life, putting reuse into practice—the second of the 3R's principle (Reduce at the source, Reuse, Recycle). This approach helps limit waste production, reduce wastefulness, and consequently lower disposal costs for municipalities.

The profits generated from the sale of the items are redistributed among the three participating municipalities to address various needs of their residents. A donations committee has been established to evaluate all requests for financial support from organizations within the MRC of Argenteuil.

The Dome is located within the grounds of the Ecocentre "Les Bons Voisins" at 40 Sidelane Road in Gore.

Opening hours:

- * Saturdays, Sundays, and Wednesdays from 10:00 a.m. to 2:00 p.m. from Victoria Day to Thanksgiving.
- * Saturdays and Sundays from Thanksgiving to the end of October.
- * Closed during the winter from the end of October to the beginning of April (depending on the weather).

CASH ONLY

Items not permitted at the Dome:

- * Clothing and books
- * Helmets of any kind
- * Equipment and accessories for babies and children
- * Work boots
- * Climbing or diving equipment
- * Water safety jackets
- * Pressurized objects (cylinders)

It can happen that some large items may be refused due to lack of interior space. Whenever possible, they can be redirected to other organizations in the region.

The success of the "Trésors du Dôme" is made possible through the collaboration of the municipalities of Gore, Mille-Isles and Wentworth, the work of generous volunteers who freely give their time, and the participation of the population. It is a place for meeting, exchanging, and sharing.
